

Dear Friends of KRT,

The 2022 Summer Theatre Season is just around the corner, and we are anxious to share the plans for our upcoming productions and activities with you. It is such a privilege for our artistic organization to be able to provide this region and community with high quality, impactful live theatrical performances, and educational programs. We are sure that you will find this season's offerings both enjoyable and entertaining.

Our KRT Kids workshop will take place June 9-18<sup>th</sup>. This year's production is DISNEY'S THE LION KING JR. The participants will learn theatre skills in dancing, acting, and singing. Rehearsals will take place in May, and early June as the children prepare for their performances. This is always a great learning experience for the students, and they have a great time working with our staff, and with each other.

Meetings are in the works to determine our future mainstage production, teen workshop production, and our Christmas season. We know that whatever productions are chosen, the KRT family will bring them to life on our stage. We also look forward to bringing back our annual events, such as The Villains and Vixens Tea Party and The Legend of Sleepy Hollow.

As you may know, we have found our forever home at Stonewood Gardens this year. We could not be happier to finally be settled into a space that we are able to call our own. We have many plans for this building that will help us to make it more suitable for theatrical use. We also hope to utilize this space for our community, as reservations are currently being made by the public to use our space for their events.

The Board of Directors of Kincaid Regional Theatre truly appreciate you supporters and your loyalty to our theatre and its endeavors. We hope that we can depend on you again this year for your financial support and encouragement. We cannot fulfill our mission in this community and region without you. We thank you from the bottom of our hearts for the confidence that you have in us, and hope to see you at a show soon!

Sincerely,

Kaitlyn Sansom

KRT Board of Directors
