

Welcome from Bonita Pack, Music Director:

Hello and thank you for your interest in auditioning for *Disney's Finding Nemo Junior*. We are looking forward to meeting old and new friends at our upcoming auditions. We would like to encourage anyone interested to audition regardless of prior experience. Below is specific information regarding music requirements for auditions.

Please choose an excerpt from one of the songs below to become familiar with. These tracks are uploaded on the Education page of our website for your reference. It is not necessary to memorize, as we will have sheet music and lyric sheets available at the audition.

Also please come prepared with a song of your choice that is 1-2 minutes in length or approximately 18-24 measures or bars long. Please **bring your sheet music with you** so that our accompanist can play for you. If you have any questions, please feel free to reach out. We do our best to make our auditions as stress-free and comfortable as possible, so "just keep swimming" and we'll see you soon!

Familiarize yourself with one of the following:

#05 "Big Blue World " Part 2

Please listen to 02:43 - 02:15 seconds of the track.

Lyrics: In the big blue world, we're gonna go explore.
In the big blue world, we've never seen before.
So many creatures swimmin' 'round the sea.
In the big blue world, and all of them are waiting for me.

#12 "Fish Are Friends Not Food"

Please listen to 02:41 - 02:14 seconds of the track.

Lyrics: Though we have long, sharp teeth, we're nice sharks underneath.
We know that fish are friends, not food.
Sure, we could eat you whole...but we have self control.
We know that fish are friends, not food.

#16 "We Swim Together"

Please listen to 02:31 - 02:04 seconds of the track.

Lyrics: This time is different, 'cause now we've got you!
We'll all get out if we can swim the way we always do:
Together, we swim together.
Cooperation is the secret to our success.
We swim in harmony. We're a fishy family.
And the coral reef will be our new address!
